Oil Painting for the Beginner

with **Ruth Stromswold**

If you have always wanted to learn to paint in oils, now is the time! This is a class designed specifically for beginners and perfect for getting started in oil painting. Your instructor, Ruth Stromswold, will teach you the basics of setting up your palette, how to mix colors, and the fundamental uses of the materials you will be using to create paintings you can be proud of.

The two-day workshop will be preceded by a bonus session where Ruth will demonstrate the basic steps to a completed painting, She will show you how to create a painting from start to finish as well as answering any questions you may have about the process.
